

CURRICULUM VITAE

GENERAL INFORMATION

George Magoufis MD, PhD, Interventional Neuroradiologist.

Master of the Greek Navy Retired.

Date of birth: 4/5/1963

Place of birth: Athens, Greece

Official address: Ethnarchou Makariou & El. Venizelou 1, 18547, N. Faliro, Athens, Greece

E-mail: magoufis@otenet.gr, magoufisgeorge1@me.com

EDUCATION

1981-1987 Military Medical Academy, Thessaloniki, Greece

1981-1987 MD Aristotles University, Thessaloniki, Greece.

SPECIALIZATION

1990-1992 Resident, Department of Radiology, Naval Hospital, Athens, Greece.

1992-1994 Resident, Department of Radiology, Areteion University Hospital, Athens, Greece.

1996-1997 Fellowship in Interventional Neuroradiology, University Hospital of Bicetre, Paris, France (Pr. Pierre Lasjaunias)

PhD THESIS:

“Endovascular Treatment of wide neck intracranial aneurysms”,
Medical School, University of Athens, Greece, 2010

PROFESSIONAL APPOINTMENTS

- 1997-2001 Director of Department of Interventional Neuroradiology,
ATHENS MEDICAL CENTER, Athens, Greece
- 2002-2006 Director of Department of Interventional Neuroradiology,
HENRY DUNANT HOSPITAL, Athens, Greece
- 2006-2013 Director of Department of Interventional Neuroradiology,
METROPOLITAN HOSPITAL, Athens, Greece
- 2006-2009 Research Fellowship 2nd Department of Radiology of Athens University.
- 2010-2011 Research Fellowship 1st Department of Radiology of Athens University.

CONFERENCE PAPERS

- 1. Embolization of brain arteriovenous malformations with Onyx. Preliminary experience.** Magoufis G, Mikropoulos T, Ntoskas T, Mpesmertis L, Varsos V, Mattikas N, Striggaris K. **18th Hellenic Neurological Congress. 6-9 November 2002, ATHENS, GREECE (P025).**
- 2. Angioplasty and stenting for the treatment of symptomatic intracranial stenoses. Two case reports.** Magoufis G, Patrikiou A, Mikropoulos T, Papadimitriou A, Ntoskas T, Mpesmertis L, Sygounas E, Striggaris K. **18th Hellenic Neurological Congress. 6-9 November 2002, ATHENS, GREECE (P026).**
- 3. Complete resolution of dementia syndrome after treatment of a dural arteriovenous malformation of the superior sagittal sinus by embolization.** Magoufis G, Mikropoulos T, Ntoskas T, Mpesmertis L, Papadimitriou A, Striggaris K. **18th Hellenic Neurological Congress. 6-9 November 2002, ATHENS, GREECE (P028).**
- 4. Embolization of internal carotid intracranial aneurysms with Onyx. Preliminary experience.** Magoufis G, Varsos V, Liaropoulos K, Papadakis N, Striggaris K. **18th Hellenic Neurological Congress. 6-9 November 2002, ATHENS, GREECE (P083).**
- 5. Use of covered stents in treating partial recanalization of Onyx-occluded giant intracavernous carotid aneurysm.** Magoufis G, Vrachliotis T, Striggaris K. **17th Hellenic Neurosurgical Congress. 2-5 April 2003, ATHENS, GREECE.**
- 6. Presurgical embolization of choroid plexus papilloma with cyanoacrylate glue, in children less than 2 years old. Three case reports.** Magoufis G, Dimitriou P,

Gkini C, Tsamopoulos N, Striggaris K. **17th Hellenic Neurosurgical Congress. 2-5 April 2003, ATHENS, GREECE.**

7. **Presurgical embolization of acoustic neuroma in the cerebellopontine angle with cyanoacrylate glue.** Magoufis G, Papanikolaou P, Kotselas V, Georgopoulos C, Striggaris K. **17th Hellenic Neurosurgical Congress. 2-5 April 2003, ATHENS, GREECE.**
8. **Embolization of internal carotid intracranial aneurysms with Onyx.** Magoufis G. **17th Hellenic Neurosurgical Congress. 2-5 April 2003, ATHENS, GREECE.**
9. **Late recanalization of ICA occlusion and endovascular repair.** G. Magoufis, El. Bairaktaris, N. Tsamopoulos, P. Papapoulou. **XXIII World Congress of the International Union of Angiology, 21–25 June 2008, Athens, Greece.**

INVITED LECTURES

1. **The role of Interventional Neuroradiology.** 17th Medical Congress Of Hellenic Military Forces. November, 11-14, 1998, Thessaloniki, Greece.
2. **Applications of Interventional Neuroradiology.** 2nd Polythematic Congress of Naval Hospital of Athens 1998. 20-21, Feb 1998, Athens, Greece.
3. **Brain Arteriovenous Malformations. Aitiology and genetics.** 6th Seminar Special Education in Radiology. Hellenic Radiological Society. June 1999, Athens, Greece.
4. **Dural Arteriovenous Malformations of the Spinal Cord.** 6th Seminar Special Education in Radiology. Hellenic Radiological Society. June 1999, Athens, Greece.
5. **Embolization of internal carotid intracranial aneurysms with Onyx. Preliminary experience.** Athenian Days of Interventional Radiology 2001. 29-31, May 2001, Athens, Greece.
6. **The role of Interventional Neuroradiology in ischemic and hemorrhagic stroke.** Congress of Anesthesiological Progress. December 2001, Athens, Greece.
7. **Brain Arteriovenous malformations.** Athenian Days of Interventional Radiology 2001. 29-31, May 2001, Athens, Greece.
8. **Supraaortic vessels. Angioplasty and stenting.** International Congress of Vascular Surgery. June 2001, Chios, Greece.
9. **The role of Interventional Neuroradiology in ischemic and hemorrhagic stroke.** Surgical Society of Corfu. 13, March 2002, Corfu, Greece.

10. **The role of interventional Radiology in the treatment of vascular diseases of the face.** Hellenic Medical Congress 2002. Athens, Greece.
11. **The role of Interventional Neuroradiology in ischemic and hemorrhagic stroke.** 3rd Postgraduate Seminar in Neurology. Naval Hospital of Athens. 2002, Athens, Greece.
12. **Giant Intracranial aneurysms.** XII Hellenic Radiological Congress. 11-15, December 2002. Athens, Greece.
13. **The role of interventional Radiology in the treatment of vascular diseases of the face.** Hellenic Medical Congress. May 2002, Athens, Greece.
14. **Interventional management of BAVM.** Aegean Course of Radiology. October 2003, Hrakleion, Creta.
15. **The role of embolization in the treatment of AVMs of the face.** Hellenic Congress of Pathology, November 2003, Athens, Greece.
16. **SAPPHIRE study.** Postgraduate Seminar in Neurology. Naval Hospital of Athens. November 2003. Athens, Greece.
17. **Indications and objectives in the treatment of brain arteriovenous malformations.** 2nd International Seminar of Interventional Neuroradiology. 7-10, May 2003, Athens, Greece.
18. **Treatment of BAVM: strategy and current concepts.** Athenian Days of Interventional Radiology. May 2003, Hilton Hotel, Athens.
19. **Endovascular treatment of intradural ICA aneurysms with Onyx. Preliminary experience.** Athenian Days of Interventional Radiology. 29-31 May 2003, DIVANI-CARAVEL, Athens.
20. **Endovascular Treatment of Intracranial Aneurysms.** 8th Polycentric Congress of Naval Hospital of Athens. February 2004, Athens, Greece.
21. **Carotid Artery Stenting: current indications, prevention of complications. Radiological point of view.** CCPR 2004: Coronaries / Carotids / Peripherals / Renals Endovascular therapy. April 23-24, 2004. Aegina island, Greece.
22. **New concepts in the endovascular treatment of intracranial aneurysms.** Athenian Days of Interventional Radiology 2004, Athens, Greece.
23. **Embolization of BAVM. Our experience since 2001.** Athenian Days of Interventional Radiology 2005, Athens, Greece.
24. **Intracranial Stenting.** Athenian Days of Interventional Radiology 2006, Athens, Greece.

25. **Carotid Artery Stenting under protection. Is protection necessary?** Athenian Days of Interventional Radiology 2007, Athens, Greece.
26. **Cerebral Aneurysm Embolization.** Athenian Days of Interventional Radiology 2007, Athens, Greece.
27. **Interventional management of Cerebral Aneurysms.** Aegean Course of Radiology, 2007, Hrakleion, Creta.
28. **Intracranial Stenoses Intervention. Yes or No?** Round Table. Aristotle Vascular Experts Meeting. 9-11 Oct 2007, Thessaloniki, Greece.
29. **Ενδαγγειακή Θεραπεία Αγγειακών Δυσπλασιών Προσώπου.** Στρογγυλή Τράπεζα με θέμα: Νεώτερα δεδομένα στην αντιμετώπιση αιμαγγειωμάτων και αγγειακών δυσπλασιών προσώπου. 22ο Ιατρικό Συνέδριο Ενόπλων Δυνάμεων 6-9 Νοε 2008, Θεσσαλονίκη.
30. **Angioarchitectural Analysis and Treatment Strategy in Brain Arteriovenous Malformation.** 34TH European Society of Neuroradiology Annual Meeting. 17-20 Sep 2009, Athens Greece.
31. **Ενδαρτηριακή θρομβόλυση στο Οξύ Αγγειακό Εγκεφαλικό Αγγειακό Επεισόδιο.** Στρογγυλή Τράπεζα με Θέμα Οξεία φάση ισχαιμικού αγγειακού εγκεφαλικού επεισοδίου. Atrial Fibrillation and Stroke. 23-24 January 2010, Divani Apollon Palace, Kavouri, Athens, Greece.
32. **Intracranial Interventions: Diagnosis and Treatment.** Lecture in the 3rd Intensive IDKD Course in Greece. 29 Sep-3 Oct 2010, Anavyssos, Athens Greece.
33. **Diagnosis and treatment of acute and chronic cerebral ischemia.** Lecture in the XVII Congress of Hellenic Radiological Society, 17-19 Dec 2010, Athens Greece.
34. **Endovascular Treatment of Brain Arteriovenous Malformations.** Lecture in the 6th Intensive IDKD Course in Greece. 29 Sep 19-22, Athens Greece.

LIVE CASES DEMONSTRATIONS
